the internet joke book is filled with short jokes witty humor and bizarre stories that were gathered from around the united states and abroad via the internet and other sources as well from friends and family i should also point out before going any further that much of the credit for this book should go to my daughter if not for her giving me the idea and placing my other two books on hold a book of this make up may have never existed beyond the books jacket you will run across page after humorous page of sidesplitting witticisms they are of old and new nevertheless the old still being very hilarious and the new even more uproarious after all we have until now not read them various contents of the internet joke book may not be suitable for younger readers this book was not tailor made for the juvenile reader however this book as any book of this nature should rest in the judgement of the parent i myself being a single parent would not recommend that the contents of this book be disclosed to any teenager under the age of seventeen or either the adult contents be block out by the parent or guardian nevertheless there may be parents who chose to allow their children as young as fifteen and sixteen to take in the contents of this book again this is not recommended by the author i can only hope my readers enjoy and have as much fun with this book as we did gathering and putting it together once my daughter had told our friends neighbors and relatives of what we were doing we had more help than we could handle we are now working on a second book the internet joke book volume two

which will consist of much more and newer witticisms i hope all will appreciate the first book and be patient enough to wait and read the second

this book collects original essays on the epistemology of modality and related issues in modal metaphysics and philosophical methodology the contributors utilize both the newer metaphysics first and the more traditional epistemology first approaches to these issues the chapters on modal epistemology mostly focus on the problem of how we can gain knowledge of possibilities which have never been actualized or necessities which are not provable either by logico mathematical reasoning or by linguistic competence alone these issues are closely related to some of the central issues in philosophical methodology notably to what extent is the armchair methodology of philosophy a reliable guide for the formation of beliefs about what is possible and necessary this question also relates to the nature of thought experiments that are extensively used in science and philosophy epistemology of modality and philosophical methodology will be of interest to researchers and advanced students working on the epistemology and metaphysics of modality as well as those whose work is concerned with philosophical methodology more generally

this volume is the first annotated translation in any language of the chojang chungga 中義 the meaning of the middle and provisional in the first stanza a little known text that yielded considerable influence on early east asian buddhism it corresponds to the first chapter of the taesŏng saron hyŏnŏnŏnŏn ki notes on the dark meaning of the four treatises belonging to the great vehicle a samnon sanlun compendium written by the paekche monk hye gyun fl 6th 7th c after he studied with the famous chinese sanlun teacher falang 507 581 apparently directed at beginners the chojang chungga 中義 explains fundamental concepts in detail thus giving precious corroborative information on chinese sanlun as mirrored in jizang s 549 623 works textual parallels with jizang s lunji traces of the treatise shed new light on the extent that both disciples were indebted to their teacher falang additionally the text provides first hand insight into the nature of early samnon in paekche and important clues for understanding the origins of the famous silla monk wŏnhyo s 617 686 patterns of exegesis as the title implies the text centers on the first stanza the fundamental exegetical formula samnon sanlun students under falang and his immediate successors had to master the repetitive and formulaic style of the text shows that contrary to widespread misconceptions sanlun samnon exegetes were less concerned with the scholastic study of authoritative texts than using the chojang chungga 中義 to rehearse formulae designed to lead the practitioner toward awakening in doing so they struggled to find new ways of expression that transcended the usual apophatic versus cataphatic dichotomy of a middle path avoiding any reification of the middle and the provisional they created instead cataphatic formulae that constantly affirmed yet did not produce fixed meaning just as a the first character of the siddham alphabet pervades all texts yet as a negation prefix constantly denies any attribution the invention of a language of emptiness will be of great use to those interested in commentarial exegesis as meditational practice and east asian buddhists attempts at developing a language of emptiness

derek ball argues that disputes about matters of definition are not just about the meanings of words or our concepts and they do not typically involve change of meaning instead engaging in an investigation or a discussion helps determine the meanings of our words without changing them what is determined is the meaning our words had all along

we live in a world where reality is being presented to us as fantasy and fantasy and as a reality this world is not what we have been told to be and everything that we know of is fake fictional stories written by artificial intelligence computers on sets of algorithm instructions that tells it what to write what we know of our world was not written by humans for the most part of it but by machines they only needed to put in a plot or parameters and the ai computers were writing up the stories guided by algorithms in this book of 23 chapters there are so many revealed secrets of the true nature of the world we live in and creation as a whole scattered throughout all 90 pages of this book and because of that it should be read thoroughly starting from chapter 1 this book explains the true origin of humanity and creation as a whole who we really are where did we come from and how did we get here chapter 2 explains the true story of the trojan war and the real reason why humanity is in perpetual wars ever since the great re set about 200 years ago and the takeover of our 4 continents by satanic forces chapter 3 explains what the dome is made of that we live under and when it was put in place
