what is the nature of muslim jewish relations in europe today based on qualitative interview data this book explores narratives about jews among muslims in norway drawing on culturally embedded narratives as well as personal experiences interviewees reflect on the relationship between jews and muslims the interreligious exchange between islam and judaism is as old as islam today the arab israeli conflict has become an important frame of reference in the public discourse on muslim jewish relations the narratives presented in this book delineate shifting community boundaries and identifications that transcend dichotomised notions of muslims versus jews the analysis shows how jewish history in europe and the history of modern antisemitism serve as interpretative keys in the narratives used for explaining the situation of the muslim minority today furthermore the book demonstrates how interviewees perceptions of society s attitudes toward muslim and jewish experiences also strongly influence their perceptions of muslim jewish relations

confronting global gender justice women s lives human rights examines the most complex and demanding challenges facing theorists activists artists and educators engaged in establishing women s rights as human rights and fighting to make these rights realities in women s lives issues addressed include trafficking aids immigration war time violence and legal battles

society is increasingly affected by climate impacts from prolonged water shortages to damaging coastal floods and wildfires scientists studying climate variations are eager to have their knowledge used in adaptive decision making to achieve this science and society must engage productively around complex management and policy challenges for over 20 years the science society interface has been fertile ground for the regional integrated sciences and assessments risa programs sponsored by the u s national oceanic and atmospheric administration climate in context describes what it takes to help scientists and stakeholders work together to co produce climate science knowledge policy and action this state of the art synthesis reflects on lessons learned by risa programs and provides a sober assessment of the challenges ahead through case studies from various us regions this book provides lessons and guidance for organizations and individuals who want to work at the science society interface on a range of climate challenges

after the collapse of the soviet union eastern european countries were said to be playing catch up with the west and in the field of development cooperation they were classified as new donors this book aims to problematize this distinction between old and new development donors applying an east west dimension to global orientalism discourse the book uses a novel double postcolonial perspective

examining north south relations and east west relations simultaneously and problematizing these distinctions in particular the book deploys an empirical analysis of a new eastern european donor slovakia compared with an old donor austria in order to explore questions around hierarchization depoliticization and the legitimization of development this book's innovative approach to the east west dimension of global orientalism will be of interest to researchers in postcolonial studies eastern european studies and critical development studies

offering a practical look into new scientific research showing how casual sexual activity among teenagers has a lasting psychological impact on their lives hooked also presents a christian view of the way god wants relationships to be
